Dear Ross

On behalf of everyone at Cotlands, I would like to thank Green Power for the donation of new light fittings to the value of R 10 730,40. We are really appreciative of this donation which will reduce our electricity bill, freeing up resources so that we can offer more vulnerable children effective, high impact health, psychosocial and early learning play based opportunities.

Cotlands aims to provide the foundation that children require to thrive in their formative years and beyond. Research shows that play is the most effective way for young children to learn, and in providing a safe environment for freedom of expression and creative exploration, we pave the way for children to succeed.

Once again I thank you for selecting Cotlands as the beneficiary of your services.

Yours sincerely

Jackie Schoeman
Chief Executive Officer
